Q – I feel that School has built strong connections with Outside Professionals to enable quicker support for my child

Q – I am able to approach staff with any concerns I have around my child

Responses from additional comments (optional for parents/carers)

"It's nice to see post covid support improving and interactions working together for the children. I also feel it's really beneficial the Occupational Therapist's involvement in the children's support."

"I'm really impressed with how well the staff have got to know my child so quickly. They love going and staff have a brilliant understanding of my child and their additional needs"

"I feel we are making good progress with my child and we are more than happy to work alongside school with any ideas they have to help my child become more independent."

"I have never had any issue or concerns during my child's time at school. Support has always been amazing for our family. Staff are very approachable and always happy to assist given our early assumption of dyslexia. Support has always been given."

"My child has been well supported this year to help make them feel as comfortable as they can possibly be. I really do appreciate the help and support not only my child is receiving but us as a family. Thank you."

"Thank you for all of your support."

"The staff provide immense support for my child in school. All staff are amazing. Really grateful. Thank you."
